Others, for example; execution of marking, Declaration of Conformity and other related documents.	

If there is not enough space, refer to appendices.

# APPLICATION

## Certification of a Construction Product for CE-marking

### **The applicant shall, according to the Construction Products directive,**

- keep himself informed about changes and validity of the relevant standard/s and if necessary adjust the product/s to changes in the standard/s,
- for every market on which the product is placed, issue the user information and the marking of the product in the official language of the actual market,
- issue an EC Declaration of Conformity.

### **The applicant confirms**

- That an application regarding the actual product has not been sent to another Notified Body
- That he will inform SP about any intended changes of the product or the FPC system. (Can lead to additional testing and/or audit of the FPC)
- that SP is allowed to publish official lists including the certificate.
