APPLICATION

CE-marking of Construction products

To this application the following technical specifications are enclosed:

Specification	Type, identification, number, dated
Test reports	
Drawings and specifications	
Material specifications	
Others, for example; execution of marking, Declaration of Conformity and other related documents.	

If there is not enough space, refer to appendices.

APPLICATION

CE-marking of Construction products

The applicant shall, according to the Building Products directive,

- keep oneself informed about changes and validity of the relevant standard/s and if necessary adjust the product/s to changes in the standard/s.
- for every market on which the product is placed, issue the user information and the marking of the product in the official language of the actual market.
- issue an EC Declaration of Conformity.

The applicant confirms

- that reference is not made to earlier test reports and ITT-reports if the product is changed.
- that SP is allowed to publish official lists including the report.

Place, date

Signature (and clarification) of the person authorised to sign for the company
